Merrick & Company

2450 S. Peoria, Aurora

**\$40 pp - Includes Breakfast,
Workshop & Handouts**

NEW!

**First time EEA entrants
receive more than 50% off
the entry fee!**

*Includes firms that haven't
participated in the last 7 years

Why Should I Enter the EEA Competition?

- To showcase my firm's innovations in engineering
- To gain fantastic exposure locally and nationally
- To acknowledge my client and our contributions to the community
- Special category for small projects - total construction does not exceed \$2.5 million

Why do I need the EEA workshop?

- To get the latest information on how to make my project a *winning* project
- To learn how to turn my entry into a valuable marketing tool for my firm
- To get an inside look on changes to guidelines from last year and to find out how we've streamlined the state competition
- To hear from past contestants and learn from their experiences
