MASTER OF CEREMONIES

Dave Fraser, News 2 Chief Meteorologist

AMERICAN COUNCIL OF ENGINEERING COMPANIES
of Colorado

The ACEC/COLORADO Engineering Excellence Awards Program celebrates engineering achievements that demonstrate ingenuity and include significant technical, economic or social advancements. Each year, ACEC/CO member firms submit their entries for assessment and judging by a diverse group of local business, media and industry representatives. Entries cover categories ranging from research and studies to structural systems, transportation, and special projects.

2009 ACEC/CO ENGINEERING EXCELLENCE AWARDS CATEGORIES AND WINNERS
