

AMERICAN COUNCIL OF ENGINEERING COMPANIES
of Colorado

GENERAL PALMER AWARD CRITERIA AND NOMINATION FORM

(Deadline Friday, February 12th)

The General Palmer Award is an annual award given to an engineer who meets the following considerations:

- ❖ Contribution to the State of Colorado
- ❖ Recognition in the community
- ❖ Advancement to the engineering community
- ❖ Impact of contributions on future generations

Please consider Colorado engineers outside of the consulting industry worthy of this award and submit your nomination using the above criteria. ACEC/CO will present this award to a deserving recipient at the Annual Meeting in April, normally held at the Lakewood Country Club, Lakewood, CO.

Past General Palmer recipients

1988	George Wallace, Developer of the Denver Tech Center	1999	Ralph Trapani, CDOT, contributions to transportation and the environment
1989	Jack Perlmutter, Father of the pre-tensioned pre-cast concrete industry in USA	1999	James McAnally, Lockheed Martin, contributions to the aerospace program
