Welcome

The American Council of Engineering Companies of Colorado (ACEC/CO) invites you to participate in the ACEC/CO Golf Tournament. Proceeds from this event help fund scholarships awarded to promising engineering students each year.

Scholarship Program

The ACEC/CO scholarship program, created in 1971, is designed to provide financial aid to students with an interest in the engineering profession. In 2009, \$32,500 was awarded to Colorado engineering students.

Prizes

The talented and lucky golfer who can sink a hole-in-one will win a Spanish Golf Vacation. If you sink that hole-in-one on certain other holes, you can win a Sharp LCD flat-screen TV, a set of Big Bertha irons from Callaway Golf, or roundtrip domestic airline tickets for two.

“My clients look forward to this tournament every year. ACEC does a great job. We wouldn’t miss it.”
