RE: 2010 Spring Transportation Symposium Sponsorship Request

The **Institute of Transportation Engineers Colorado/Wyoming Section** and the **Women's Transportation Seminar Colorado Chapter** are proud to present the 8th annual Spring Transportation Symposium in conjunction with the **Intelligent Transportation Society Rocky Mountain Chapter**. This year's event will be held in association with **American Council of Engineering Companies (ACEC) of Colorado**. With this event, over 100 of the region's transportation planners, engineers, and decision makers are brought together to share information and lessons learned from the most innovative and successful transportation projects.

This year's Symposium is scheduled for **Friday, April 9th** and will be held at the Pepsi Center in Downtown Denver. Information on the Symposium schedule will be available soon on the WTS website at www.wtscolorado.org, on the ITE website at www.cowyite.org and on the ACEC website at www.acec-co.org. Online registration will be open in March. Please contact Freddy He at freddy_he@urscorp.com for any information regarding registration.

Corporate sponsorships of the event are requested as part of our fundraising effort for the scholarship funds of ITE, WTS and ITS Rocky Mountain. Your Symposium sponsorship also supports the community of transportation planners, engineers, and decision makers by making it possible for us to provide public agency attendees with lower registration costs. Many sponsorship levels are available. **See the attached Sponsorship Form for details.** All sponsors will be recognized in an announcement at the luncheon and in the printed event program.

Please return the Sponsorship Form with your check for your contribution. Sponsorship opportunities for the Symposium are available through Friday, April 2, 2010. Please make the check payable to **WTS** and send it to:
